**Dear Councilors,**

According to the formal invitation from H.E. Egyptian Minister of Higher Education and Scientific Research, and Egyptian Government for our CMU Council members to participate in the

**International Conference on Higher Education and Research:**

**P R E S E N T & F U T U R E**

Cairo (New Capital) 4-6 April 2019

Council members are cordially invited to attend this important global event. I think we can hold an ordinary council meeting during this event, also we can arrange joint meeting with Egyptian universities' rectors attending this conference.

This event has an Exhibition of Teaching which is open for Mediterranean Universities which like foreign students to join or like to open satellite branches in Egypt as this is welcomed by Egyptian Government in New Capita of Cairo.

CMU and interested Universities can reserve a booth or more in the Exhibition hall attached to the conference.

Councilors pay only their flight but accommodation and transportation in Egypt are free. Post conference tours are arranged to old Egyptian monuments and Suez Canal for Extra charge.

*My best regards,*

**Prof. M. El Aswad**
